

Property Committee Report

April 22, 2008

Bill Davis

1. The Carpet program is under way with a sign up board in the entry way to the church. Church Members can buy a yard of carpet for \$25.00. We want to sell 200 yard by Memorial Day. Should be installed in June. Color decided by special committee. (Chandler-Ball)
2. Working with Jim Dollar to establish a Property Committee Task list to be ready by May vestry meeting.
3. Property Committee meeting on Sunday April 20 to review Proposal by LE Savory for spraying and fertilizing trees. Cost about \$1000.00. It was recommended to get another proposal from Blanchard tree service.
4. Recommended a workday of 10 May 2008 to put down mulch, remove brush, and overall clean up. (Please put on vestry members personal calendars.)
5. Sprayed weeds between bricks on walks, courtyard, and memorial garden. 3hours and 6 gallons of “Roundup” on Saturday A.M. April 19. Purchased materials from Mills Hardware on account.
6. Getting bids to replace wood on west wall face of the steeple. So far nothing to report.
7. **Need from vestry:**
 - a. Authority to get bids for Acid wash of brick wall where required.
 - b. Sanctuary ceiling repair. (right side in the back of church)
 - c. Authority to get bids for painting steeple and place where Jim Dollar and painting subcommittee are reluctant due to height to paint.
 - d. Authority to get bids for tree trimming around phone lines.
 - e. Question. -- Who owns the small trailer next to the garden house? It will need a license to take it on the road if we are to get mulch from City of Perrysburg.
8. Any special needs **for** the Property Committee **from** the Vestry????
