

## November 2008 Fellowship Report

The month of November has been busy for the Fellowship Committee. The events we have been involved in are as follows...

### “Souper Supper” Wednesday’s

Our November “Souper Supper” Wednesday was host to the Pre-convention meeting. We provided soups, sandwiches and desserts. We had a very small turn out and had a lot of food left over which was donated to the P.C.U. food pantry.

### Chili Cook-Off

We partnered with the Youth Group and the Outreach Committee in helping with the Annual Chili Cook-Off to benefit the Perrysburg Christians United food pantry. We provided decorations and set-up for the event.

### Advent Workshop

We are currently working on the Advent Workshop which will be held this Sunday November 23<sup>rd</sup>. In an effort to be both environmentally as well as fiscally responsible, our theme this year is Reduce ~ Reuse ~ Recycle. We have “dusted off” some old favorite crafts from workshops past. Lunch will be provided. This is a fun and long standing tradition of St. Tim’s.
