

April 2009

Outreach is springing into action:

St Mark's supper is this Sunday April 26th- still need a few more people to help!!

Still trying to decide if enough people volunteer to help feed Toledo school children this summer. This is suppose to be every Tuesday and Thursday this summer for about 1 1/2 hours each day.

The Clothesline will be opening this Friday March 24 from 10-12 noon.

Trying to get a team together for Relay for Life June 12-13. We need walkers for one hour time slots and would like to have the names by May 9th in order to get a free T-shirt. We would like to come up with a catchy name for the team and also fund-raising ideas. I should have the bulletin board with all the info for this on Friday....
